DISCIPLINE PROCESS

PGAN is a relational accountability network. We reserve the right to discipline members in the following areas:

- Moral failure
- Behavior not becoming to a minister or leader

The discipline process will follow the guidelines found in Matthew 18:15-17. If at any point in the discipline process a person refuses to cooperate with PGAN leadership, that person is subject to immediate dismissal from the organization.

The discipline matter will be discussed by the individual member and a member of PGAN leadership.*

If the information is found to be inaccurate, the matter is resolved and no further disciplinary action is necessary.

If the information is accurate and the person is repentant, a plan of restoration will be initiated and implemented by PGAN leadership.

If the information is accurate and the person is not repentant, an additional meeting will be scheduled. Every effort will be made to resolve the situation at this point.

If resolution is not reached, the person will be dismissed as a member of PGAN.

The applicant and PGAN leadership have received Jesus Christ as Lord and Savior and believes that the Bible commands them to make every effort to live at peace and to resolve disputes with each other in private or within the church. (Ephesians 4:1-3; Matthew 5:23-24; Matthew 18:15-20; 1 Corinthians 6:1-8).

Therefore, the parties agree that any controversy or claim arising shall be resolved according to the PGAN discipline process and with the assistance of the PGAN leadership through arbitration. The parties agree that this method shall be the sole remedy for any controversy or claim and expressly waive their right to file a law suit against one another in a secular court.
