Trauma Prayer

Father, I come before You now in the name of Jesus.

Lord, I have looked at trauma and how it may have entered the realm of my soul (my mind, my will and my emotions). I have at least a partial understanding that there could be wounds in my soul that have opened the door for demons to come in and harass me and victimize me.

Jesus, I ask that You bring to my remembrance any part of a trauma that needs to be healed.

Jesus, I now ask that You show me where You were when this trauma occurred and what You thought about it.

Jesus, I ask You to heal my soul that was broken, crushed or damaged in any way during the trauma.

Jesus, I ask You to bring my healed soul through the years to the present day and mature that part which was damaged to the level of maturity today. I ask You to bring my body in line with the healed soul, my whole spirit and to heal my body as well.

And finally, Jesus, I ask that You bring my body, soul and spirit into an integrity of strength and healing!

PRAYER OF RELEASE FOR GENERATIONAL TRAUMA

Father, we come before You today in the name of Jesus. We have at least a partial understanding that those in our generational bloodlines may have suffered traumas in their soul. These traumas may have opened doors for demonic spirits to come in and bring curses that have been passed down from generation to generation.

We release forgiveness to our generations today in the name of Jesus. We forgive them for aligning themselves with any curses that may have resulted from Free Masonry, Ancestral worship, Idolatrous/Pagan Worship and Ethnic traumas.

We renounce and reject the curses and declare that they are redeemed today through the Blood of Jesus.

We ask that You heal any generational trauma, any and every generational wound and bring our bloodlines into cleansing, wholeness and into the level of maturity of today.

And lastly, Father, we call forth every generational blessing that has been blocked in our bloodlines because of traumas and curses; to come forth today in our lives, in Jesus name! Amen!

RENUNCIATION OF THE VICTIM/PREDATOR SPIRIT

Father, we come before you today having been made aware that we have been made a victim at the hands of our enemy, Satan. We understand that through You is forgiveness, healing and deliverance.

We ask you to forgive us for any alignment we have made with a Victim/Predator demon. We renounce this spirit and reject any and all agreement we entered into with it.

We also ask Your forgiveness for allowing any other demon to work in partnership with the Victim/Predator spirit in the arena of our soul. We renounce and reject all demonic activity and demonic spirits in our souls today, in the name of Jesus.

We thank you and align ourselves with Your great love for us and with the forgiveness that You freely give us. We ask that You come, Jesus as our deliverer.

We command the Victim/Predator demon to leave us now in Jesus name. We say that we are forgiven, we have renounced you, rejected you, and aligned our souls with healing and wholeness. Your legal access to our soul is now cut off and you can no longer remain. Go Now!

We also command any other demon that was working with the Victim/Predator demon to leave us now in Jesus name.

All spirits of fear, oppression, depression, hopelessness, despair, rejection, self-pity, perversion, infirmity, jealousy, anger, poverty, critical spirit, judgmental spirit, religious pride, pride and perfectionism must go now in Jesus name.

Thank You, Jesus for our freedom! We thank You that You bring deliverance and healing to us in Your timing and in Your love!

Lastly, Father, we ask that You illuminate any area of our thinking and our mind-sets that have been victim and fear-based thinking. We ask you to bring us into a Faith based mind-set that glorifies, honors and exalts You. We declare today that **WE THINK LIKE GOD THINKS!**
